

Sehr geehrte Mitglieder des Europäischen Parlaments,

WIR, UNTERZEICHNENDE EUROPÄISCHE URHEBER UND DARSTELLENDE KÜNSTLER- ETABLIERTE UND AUFSTREBENDE - AUS ALLEN KÜNSTLERISCHEN BEREICHEN, BITTEN SIE, DAS RICHTIGE ZU TUN UND DIE URHEBERRECHTSRICHTLINIE UNVERZÜGLICH ZU VERABSCHIEDEN.

Unsere Filme, Theaterstücke, Bücher, Artikel, Musik, Zeichnungen, Gemälde, Skulpturen, Fotos, Choreografien und andere Kunstformen sind eine Quelle des Reichtums und Stolzes für die europäische Kultur. Unsere Kunst ist sowohl unsere Leidenschaft als auch unser Beruf.

Damit die Menschen die europäische Kultur in der heutigen digitalen Umgebung weiterhin genießen können und Urheber heute und zukünftig ihren Lebensunterhalt verdienen können, bitten wir Sie, die Urheberrechtsrichtlinie zu verabschieden.

Diese Richtlinie schafft gleiche Bedingungen für uns, die Urheber und darstellende Künstler einerseits und diejenigen, die unsere Werke auf verschiedenen Medien und Plattformen kommunizieren und verteilen, andererseits. Es ist eine Frage des gegenseitigen Respekts. Es ist grundlegend für die Nachhaltigkeit unseres Schaffens, und damit von wesentlicher Bedeutung für die kulturelle und künstlerische Vielfalt Europas.

Es liegt im Interesse aller, die Rechte der Urheber und darstellenden Künstler zu fördern, damit sie weiter schaffen können und auf diese Weise der gesamten Gesellschaft dauerhaften Nutzen bringen. Um die besten Talente Europas zu erhalten und die nächste Generation europäischer Künstler aufzubauen, müssen wir die Rechte der Urheber und darstellenden Künstler schützen und ihren Lebensunterhalt fördern. Wir können es uns nicht leisten, ein weiteres Jahrzehnt auf die Anpassung des Urheberrechts an das digitale Umfeld zu warten. Hier geht es nicht nur um uns, sondern um die Zukunft der europäischen Kultur.

Sie haben die Gelegenheit, eine historische und positive Botschaft an zukünftige Generationen von Urhebern zu senden: dass sie geschätzt werden und dass sie für ihre Arbeit angemessen entlohnt werden.

Wir appellieren daher dringend an Sie, Mitglieder des Europäischen Parlaments, dazu Ja zu sagen.
